#### **1.4. AXU Tokens.**

- a. **No Purpose.** As mentioned above, the AXU Tokens do not have any rights, uses, purpose, attributes, functionalities or features, express or implied. - b. **Company's Use of Proceeds.** Buyer acknowledges and understands that the proceeds from the sale of the AXU Tokens will be utilized by Company in its sole discretion.

### **ARTICLE TWO: AXU TOKEN DISTRIBUTION**

**2.1. Allocation and Distribution of AXU Tokens.** Argentas Project intends to allocate and distribute AXU Tokens (the "AXU Token Distribution") in accordance with the material specifications as set forth in Exhibit A to this Agreement which includes details regarding the timing (the "Argentas Distribution Period") and pricing of the AXU Token Distribution and the amount of AXU Tokens that will be distributed. During the Argentas Distribution Period, Argentas Project will provide specific procedures on how Buyer should purchase AXU Tokens through the official Website. By purchasing AXU Tokens, Buyer acknowledges and understands and has no objection to such procedures and material specifications. Failure to use the official Website and follow such procedures may result in Buyer not receiving any AXU Tokens. Any buyer of AXU Tokens may lose some or all of the amounts paid in exchange for AXU Tokens, regardless of the purchase date. The access or use of the Argentas Distribution Contract, access or use of the AXU Token Contract and/or the receipt or purchase of Argentas through any other means other than the official Website are not sanctioned or agreed to in any way by the Argentas Project Parties. Buyer should take great care that the website used to purchase AXU Tokens has the following universal resource locator (URL): <https://argentas.io/>.

**2.2. No U.S. or Chinese Buyers.** The AXU Tokens are not being offered to U.S. persons or Chinese persons. U.S. persons and Chinese persons are strictly prohibited and

restricted from using the Argentas Distribution Contract, using the AXU Token Contract and/or purchasing AXU Tokens and Company is not soliciting purchases by U.S. persons or Chinese persons in any way. If a U.S. person or a Chinese person uses the Argentas Distribution Contract, uses the AXU Token Contract and/or purchases AXU Tokens, such person has done so and entered into this Agreement on an unlawful, unauthorized and fraudulent basis and this Agreement is null and void. Company is not bound by this Agreement if this Agreement has been entered into by a U.S. person or a Chinese person as Buyer or Buyer has entered into this Agreement or has purchased AXU Tokens on behalf of a U.S. person or a Chinese person, and Company may take all necessary and appropriate actions, in its sole discretion, to invalidate this Agreement, including referral of information to the appropriate authorities. Any U.S. person or Chinese person who uses the Argentas Distribution Contract, uses the AXU Token Contract and/or purchases AXU Tokens or enters this Agreement on an unlawful, unauthorized or fraudulent basis shall be solely liable for, and shall indemnify, defend and hold harmless Argentas Project and Argentas Project's respective past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors, service providers, parent companies, subsidiaries, affiliates, agents, representatives, predecessors, successors and assigns (collectively, the "Argentas Project Parties") from any damages, losses, liabilities, costs or expenses of any kind, whether direct or indirect, consequential, compensatory, incidental, actual, exemplary, punitive or special and including, without limitation, any loss of business, revenues, profits, data, use, goodwill or other intangible losses (collectively, the "Damages") incurred by a Argentas Project Party that arises from or is a result of such U.S. person's or Chinese person's unlawful, unauthorized or fraudulent use of the Argentas Distribution Contract, unauthorized use of the AXU Token Contract and/or the receipt or purchase of AXU Tokens.

**2.3. Allocation and Sale of AXU Tokens to Argentas Project Parties.** Buyer understands and consents to the participation of the Company's past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors and service providers in the purchase of AXU Tokens, including people who may work on the development and implementation of the Argentas Software or who may work for Argentas Project's future businesses which Argentas Project may establish with a portion of the proceeds from the AXU Token Distribution. All such Argentas Project Parties will participate on the same terms as every other buyer of AXU Tokens and will be bound by this Agreement.

**2.4. No Representations and Warranties.** The AXU Tokens will be distributed to buyers thereof pursuant to the Argentas Distribution Contract and the AXU Token Contract. None of the Argentas Project Parties makes any representations or warranties, express or implied, including, without limitation, any warranties of title or implied warranties of merchantability or fitness for a particular purpose with respect to the Argentas Distribution Contract, the AXU Token Contract or the AXU Tokens or their utility, or the ability of anyone to purchase or use the AXU Tokens. Without limiting the foregoing, none of the Argentas Project Parties represent or warrant that the process of purchasing the AXU Tokens or receiving the AXU Tokens will be uninterrupted or error-free or that the AXU Tokens are reliable and error-free. As a result, Buyer acknowledges and

understands that Buyer may never receive AXU Tokens and may lose the entire amount Buyer paid to Company. Buyer shall provide an accurate digital wallet address for receipt of any AXU Tokens distributed to Buyer pursuant to the Argentas Distribution Contract and the AXU Token Contract.

**2.5. Not an Offering of Securities, Commodities, or Swaps.** The sale of AXU Tokens and the AXU Tokens themselves are not securities, commodities, swaps on either securities or commodities or a financial instrument of any kind. Purchases and sales of AXU Tokens are not subject to the protections of any laws governing those types of financial instruments. This Agreement and all other documents referred to in this Agreement including the Primer, Presentation and the White Paper do not constitute a prospectus or offering document, and are not an offer to sell, nor the solicitation of an offer to buy an investment, a security, commodity, or a swap on either a security or commodity.

**2.6. Not an Investment.** Buyer should not participate in the AXU Token Distribution or purchase AXU Tokens for investment purposes. AXU Tokens are not designed for investment purposes and should not be considered as a type of investment. Buyer acknowledges, understands and agrees that Buyer should not expect and there is no guarantee or representation or warranty by Company that: (a) the Argentas Software will ever be adopted; (b) the Argentas Software will be adopted as developed by Argentas Project and not in a different or modified form; (c) a blockchain utilizing or adopting the Argentas Software will ever be launched; and (d) a blockchain will ever be launched with or without changes to the Argentas Software and with or without a distribution matching the fixed, non-transferable AXU Token balances. Furthermore, AXU Tokens will not have any functionality or rights on the Argentas Platform and holding AXU Tokens is not a guarantee, representation or warranty that the holder will be able to use the Argentas Platform, or receive any tokens utilized on the Argentas Platform, even if the Argentas Platform is launched and the Argentas Software is adopted, of which there is no guarantee, representation or warranty made by Company.

**2.7. Not for Speculation.** Buyer acknowledges and agrees that Buyer is not purchasing AXU Tokens for purposes of investment, speculation, as some type of arbitrage strategy, for immediate resale or other financial purposes.

### ARTICLE THREE: NO OTHER RIGHTS CREATED

**3.1. No Claim, Loan or Ownership Interest.** The purchase of AXU Tokens: (a) does not provide Buyer with rights of any form with respect to the Company or its revenues or assets, including, but not limited to, any voting, distribution, redemption, liquidation, proprietary (including all forms of intellectual property), or other financial or legal rights; (b) is not a loan to Company; and (c) does not provide Buyer with any ownership or other interest in Company.

**3.2. Intellectual Property.** Company retains all right, title and interest in all of Company's intellectual property, including, without limitation, inventions, ideas, concepts, code, discoveries, processes, marks, methods, software, compositions, formulae, techniques, information and data, whether or not patentable, copyrightable or protectable in trademark, and any trademarks, copyright or patents based thereon. Buyer may not use

any of Company's intellectual property for any reason without Company's prior written consent.

## ARTICLE FOUR: SECURITY AND DATA; TAXES

### 4.1. Security and Data Privacy.

- a. **Buyer's Security.** Buyer will implement reasonable and appropriate measures designed to secure access to: (i) any device associated with Buyer and utilized in connection with Buyer's purchase of AXU Tokens; (ii) private keys to Buyer's wallet or account; and (iii) any other username, passwords or other login or identifying credentials. In the event that Buyer is no longer in possession of Buyer's private keys or any device associated with Buyer's account or is not able to provide Buyer's login or identifying credentials, Buyer may lose all of Buyer's AXU Tokens and/or access to Buyer's account. Company is under no obligation to recover any AXU Tokens and Buyer acknowledges, understands and agrees that all purchases of AXU Tokens are non-refundable and Buyer will not receive money or other compensation for any AXU Tokens purchased.
- b. **Additional Information.** Upon Company's request, Buyer will immediately provide to Company information and documents that Company, in its sole discretion, deems necessary or appropriate to comply with any laws, regulations, rules or agreements, including without limitation judicial process. Such documents include, but are not limited to, passport, driver's license, utility bills, photographs of associated individuals, government identification cards, or sworn statements. Buyer consents to Company disclosing such information and documents in order to comply with applicable laws, regulations, rules or agreements. Buyer acknowledges that Company may refuse to distribute AXU Tokens to Buyer until such requested information is provided.

**4.2. Taxes.** Buyer acknowledges, understands and agrees that: (a) the purchase and receipt of AXU Tokens may have tax consequences for Buyer; (b) Buyer is solely responsible for Buyer's compliance with Buyer's tax obligations; and (c) Company bears no liability or responsibility with respect to any tax consequences to Buyer.

## ARTICLE FIVE: REPRESENTATIONS AND WARRANTIES OF BUYER

By buying AXU Tokens, Buyer represents and warrants to each of the Argentas Project Parties that:

**5.1. Not a U.S. Person or Chinese Person:** Buyer is not a U.S. person or a Chinese person.

**5.2. Authority.** Buyer has all requisite power and authority to execute and deliver this Agreement, to use the Argentas Distribution Contract and the Argentas Smart Contract, purchase AXU Tokens, and to carry out and perform its obligations under this Agreement.

**5.3. No Conflict.** The execution, delivery and performance of this Agreement will not result in any violation of, be in conflict with, or constitute a material default under, with or without the passage of time or the giving of notice: (a) any provision of Buyer's organizational documents, if applicable; (b) any provision of any judgment, decree or order to which Buyer is a party, by which it is bound, or to which any of its material assets are subject; (c) any material agreement, obligation, duty or commitment to which Buyer is a party or by which it is bound; or (d) any laws, regulations or rules applicable to Buyer.

**5.4. No Consents or Approvals.** The execution and delivery of, and performance under, this Agreement require no approval or other action from any governmental authority or person other than Buyer.

**5.5. Buyer Status.** Buyer is not subject to any of the disqualifying events listed in Rule 506(d)(1) of Regulation D under the Securities Act of 1933 (a "Buyer Event"), and there is no proceeding or investigation pending or, to the knowledge of Buyer, threatened by any governmental authority, that would reasonably be expected to become the basis for a Buyer Event.

**5.6. Buyer Knowledge and Risks of Project.** Buyer has sufficient knowledge and experience in business and financial matters, including a sufficient understanding of blockchain or cryptographic tokens and other digital assets, smart contracts, storage mechanisms (such as digital or token wallets), blockchain-based software systems and blockchain technology, to be able to evaluate the risks and merits of Buyer's purchase of AXU Tokens, including but not limited to, the matters set forth in this Agreement, and is able to bear the risks thereof, including loss of all amounts paid, loss of AXU Tokens, and liability to the Argentas Project Parties and others for its acts and omissions, including with limitation those constituting breach of this Agreement, negligence, fraud or willful misconduct. Buyer has obtained sufficient information in order to make an informed decision to purchase AXU Tokens.

#### **5.7. Funds; Payments.**

- a. **Funds.** The funds, including any fiat, virtual currency or cryptocurrency, Buyer uses to purchase AXU Tokens are not derived from or related to any unlawful activities, including but not limited to money laundering or terrorist financing, and Buyer will not use the AXU Tokens to finance, engage in, or otherwise support any unlawful activities.
- b. **Payments.** All payments by Buyer under this Agreement will be made only in Buyer's name, from a digital wallet or bank account not located in a country or territory that has been designated as a "non-cooperative country or territory" by the Financial Action Task Force, and is not a "foreign shell bank" within the meaning of the U.S. Bank Secrecy Act (31 U.S.C. § 5311 *et seq.*), as amended, and

the regulations promulgated thereunder by the Financial Crimes Enforcement Network, as such regulations may be amended from time to time.

## 5.8. Miscellaneous Regulatory Compliance.

## ARTICLE SIX: DISCLAIMERS

6.1. Buyer expressly acknowledges, understands and agrees that Buyer is using the Argentas Distribution Contract, the AXU Token Contract and purchasing AXU Tokens at the Buyer's sole risk and that the Argentas Distribution Contract, the AXU Token Contract and AXU Tokens are each provided, used and acquired on an "AS IS" and on an "AS AVAILABLE" basis without representations, warranties, promises or guarantees whatsoever of any kind by Company and Buyer shall rely on its own examination and investigation thereof.

6.2. **No Representation or Warranty.** (A) COMPANY DOES NOT MAKE AND EXPRESSLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED OR STATUTORY; AND (B) WITH RESPECT TO THE ARGENTAS DISTRIBUTION CONTRACT, THE AXU TOKEN CONTRACT AND THE AXU TOKENS, COMPANY SPECIFICALLY DOES NOT REPRESENT AND WARRANT AND EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION, ANY REPRESENTATIONS OR WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, USAGE, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, OR AS TO THE WORKMANSHIP OR TECHNICAL CODING THEREOF, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHXLMER LATENT OR PATENT.

## ARTICLE SEVEN: RISKS

AXU TOKENS MAY HAVE NO VALUE. BUYER MAY LOSE ALL AMOUNTS PAID. Buyer has carefully reviewed, acknowledges, understands and assumes the following risks, as well as all other risks associated with the AXU Tokens (including those not discussed herein), all of which could render the AXU Tokens worthless or of little value:

7.1. **No Rights, Functionality or Features.** AXU Tokens have no rights, uses, purpose, attributes, functionalities or features, express or implied. AXU Tokens do not entitle holders to participate on the Argentas Platform, even if the Argentas Platform is launched and the Argentas Software's development is finished and the Argentas Software is adopted and implemented.

**7.2. Argentas Platform.** Buyer should not purchase AXU Tokens in reliance on the Argentas Platform because AXU Tokens are not usable on the Argentas Platform and do not entitle Buyer to anything with respect to the Argentas Platform.

**7.3. Purchase Price Risk.** There is the possibility that the price per AXU Token after the Argentas Distribution Period falls below the price paid by initial buyers of AXU Tokens during the Argentas Distribution Period. Argentas Project reserves the right to change the duration of the Argentas Distribution Period for any reason, including, without limitation, bugs in the Argentas Distribution Contract or the AXU Token Contract or the unavailability of the Website or other unforeseen procedural or security issues.

**7.4. Blockchain Delay Risk.** Buyer acknowledges and understands that the Stellar blockchain may not include the Buyer's transaction at the time Buyer expects and Buyer may not receive AXU Tokens at the same time the Buyer sends XLM.

**7.5. Stellar Blockchain.** The Stellar blockchain may experience congestion during which transactions can be delayed or lost. Individuals may also intentionally spam the Stellar network in an attempt to gain an advantage in purchasing cryptographic tokens. Buyer acknowledges and understands that Stellar blockchain may not include Buyer's transaction when Buyer wants or Buyer's transaction may not be included at all.

**7.6. Ability to Transact or Resell.** Buyer may be unable to sell or otherwise transact in AXU Tokens at any time, or for the price Buyer paid. By using the Argentas Distribution Contract or the AXU Token Contract or by purchasing AXU Tokens, Buyer acknowledges, understands and agrees that: (a) AXU Tokens may have no value; (b) there is no guarantee or representation of liquidity for the AXU Tokens; and (c) the Argentas Project Parties are not and shall not be responsible for or liable for the market value of AXU Tokens, the transferability and/or liquidity of AXU Tokens and/or the availability of any market for AXU Tokens through third parties or otherwise.

**7.7. Token Security.** AXU Tokens may be subject to expropriation and or/theft. Hackers or other malicious groups or organizations may attempt to interfere with the Argentas Distribution Contract, the AXU Token Contract or the AXU Tokens in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing and spoofing. Furthermore, because the Stellar platform rests on open source software and AXU Tokens are based on open source software, there is the risk that Stellar smart contracts may contain intentional or unintentional bugs or weaknesses which may negatively affect the AXU Tokens or result in the loss of Buyer's AXU Tokens, the loss of Buyer's ability to access or control Buyer's AXU Tokens or the loss of XLM in Buyer's account. In the event of such a software bug or weakness, there may be no remedy and holders of AXU Tokens are not guaranteed any remedy, refund or compensation.

**7.8. Access to Private Keys.** AXU Tokens purchased by Buyer may be held by Buyer in Buyer's digital wallet or vault, which requires a private key, or a combination of private keys, for access. Accordingly, loss of requisite private key(s) associated with Buyer's digital wallet or vault storing AXU Tokens will result in loss of such AXU Tokens, access to Buyer's AXU Token balance and/or any initial balances in blockchains created by third

parties. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a hosted wallet or vault service Buyer uses, may be able to misappropriate Buyer's AXU Tokens. Company is not responsible for any such losses.

**7.9 New Technology.** The Argentas Software and the Argentas Platform and all of the matters set forth in the Primer, Presentation and the White Paper are new and untested. The Argentas Software might not be capable of completion, implementation or adoption. It is possible that no blockchain utilizing the Argentas Software will be ever be launched and there may never be an operational Argentas Platform. Buyer should not rely on the Argentas Software or the ability to receive tokens associated with the Argentas Platform in the future. Even if the Argentas Software is completed, implemented and adopted, it might not function as intended, and any tokens associated with a blockchain adopting the Argentas Software may not have functionality that is desirable or valuable. Also, technology is changing rapidly, so the AXU Tokens and any tokens transferable on the Argentas Platform may become outdated.

**7.10. Reliance on Third-Parties.** Even if completed, the Argentas Software will rely, in whole or partly, on third parties to adopt and implement it and to continue to develop, supply, and otherwise support it. There is no assurance or guarantee that those third parties will complete their work, properly carry out their obligations, or otherwise meet anyone's needs, all of might have a material adverse effect on the Argentas Software and Argentas Platform.

**7.11. Exchange & Counterparty Risks.** If Buyer sends XLM to the AXU Token Contract from an exchange or an account that Buyer does not control, pursuant to the AXU Token Contract, AXU Tokens will be allocated to the account that has sent XLM; therefore, Buyer may never receive or be able to recover Buyer's AXU Tokens. Furthermore, if Buyer chooses to maintain or hold AXU Tokens through a cryptocurrency exchange or other third party, Buyer's AXU Tokens may be stolen or lost. In addition, third parties may not recognize Buyer's claim to any derivative tokens if and when launched by third parties. By using the Argentas Distribution Contract, using the AXU Token Contract and/or by purchasing AXU Tokens, Buyer acknowledges and agrees that Buyer sends XLM to the AXU Token Contract through an exchange account and/or holds AXU Tokens on a cryptocurrency exchange or with another third party at Buyer's own and sole risk.

**7.12 Changes to the Argentas Software.** The Argentas Software is still under development and may undergo significant changes over time. Although Company intends for the Argentas Software to have the features and specifications set forth in the Primer, Presentation and the White Paper, Company may make changes to such features and specifications for any number of reasons, and any party that adopts the Argentas Software and launches the Argentas Platform also may make changes, any of which may mean that the Argentas Platform does not meet Buyer's expectations.

**7.13 Risk of Alternative Blockchains based on Argentas Software.** The Argentas Software will not likely be licensed under an open source license until after the end of the Argentas Distribution Period; however, it is possible somebody will not respect the

Argentas Software copyright or will modify the Argentas Software after it has been released under an open source license. Therefore, it is possible for someone to utilize the Argentas Software to build and launch blockchain protocols using a token distribution other than the one intended for the AXU Tokens pursuant to the Argentas Software both prior to or after the Argentas Software has become licensed as open source.

**7.14. Project Completion.** The development of the Argentas Software may be abandoned for a number of reasons, including, but not limited to, lack of interest from the public, lack of funding, lack of commercial success or prospects, or departure of key personnel.

**7.15. Lack of Interest.** Even if the Argentas Software is finished and adopted and the Argentas Platform is launched, the ongoing success of the Argentas Platform relies on the interest and participation of third parties like developers. There can be no assurance or guarantee that there will be sufficient interest or participation in the Argentas Platform.

**7.16. Uncertain Regulatory Framework.** The regulatory status of cryptographic tokens, digital assets and blockchain technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether governmental authorities will regulate such technologies. It is likewise difficult to predict how or whether any governmental authority may make changes to existing laws, regulations and/or rules that will affect cryptographic tokens, digital assets, blockchain technology and its applications. Such changes could negatively impact AXU Tokens in various ways, including, for example, through a determination that AXU Tokens are regulated financial instruments that require registration. Company may cease the distribution of AXU Tokens, the development of the Argentas Software or cease operations in a jurisdiction in the event that governmental actions make it unlawful or commercially undesirable to continue to do so.

**7.17. Risk of Government Action.** As noted above, the industry in which Company operates is new, and may be subject to heightened oversight and scrutiny, including investigations or enforcement actions. There can be no assurance that governmental authorities will not examine the operations of Company and/or pursue enforcement actions against Company. Such governmental activities may or may not be the result of targeting Company in particular. All of this may subject Company to judgments, settlements, fines or penalties, or cause Company to restructure its operations and activities or to cease offering certain products or services, all of which could harm Company's reputation or lead to higher operational costs, which may in turn have a material adverse effect on the AXU Tokens and/or the development of the Argentas Software.

## ARTICLE EIGHT: LIMITATION OF LIABILITY; INDEMNIFICATION

**8.1. Limitation of Liability.** To the fullest extent permitted by applicable law, Buyer disclaims any right or cause of action against the Argentas Project Parties of any kind in any jurisdiction that would give rise to any Damages whatsoever, on the part of any Argentas Project Party. Each of the Argentas Project Parties shall not be liable to Buyer

for any type of Damages, even if and notwithstanding the extent a Argentas Project Party has been advised of the possibility of such Damages. Buyer agrees not to seek any refund, compensation or reimbursement from a Argentas Project Party, regardless of the reason, and regardless of whether the reason is identified in this Agreement.

**8.2. Damages.** In no circumstances will the aggregate joint liability of the Argentas Project Parties, whether in contract, warrant, tort or other theory, for Damages to Buyer under this Agreement exceed the amount received by Company from Buyer.

**8.3. Force Majeure.** Buyer understands and agrees that Company shall not be liable and disclaims all liability to Buyer in connection with any force majeure event, including acts of God, labour disputes or other industrial disturbances, electrical, telecommunications, hardware, software or other utility failures, software or smart contract bugs or weaknesses, earthquakes, storms, or other nature-related events, blockages, embargoes, riots, acts or orders of government, acts of terrorism or war, technological change, changes in interest rates or other monetary conditions, and, for the avoidance of doubt, changes to any blockchain-related protocol.

**8.4 Release.** To the fullest extent permitted by applicable law, Buyer releases the Argentas Project Parties from responsibility, liability, claims, demands, and/or Damages (actual and consequential) of every kind and nature, known and unknown (including, but not limited to, claims of negligence), arising out of or related to disputes between Buyer and the acts or omissions of third parties.

#### **8.5 Indemnification.**

- a. To the fullest extent permitted by applicable law, Buyer will indemnify, defend and hold harmless and reimburse the Argentas Project Parties from and against any and all actions, proceedings, claims, Damages, demands and actions (including without limitation fees and expenses of counsel), incurred by a Argentas Project Party arising from or relating to: (i) Buyer's purchase or use of AXU Tokens; (ii) Buyer's responsibilities or obligations under this Agreement; (iii) Buyer's breach of or violation of this Agreement; (iv) any inaccuracy in any representation or warranty of Buyer; (v) Buyer's violation of any rights of any other person or entity; and/or (vi) any act or omission of Buyer that is negligent, unlawful or constitutes willful misconduct.
- b. Company reserves the right to exercise sole control over the defense, at Buyer's expense, of any claim subject to indemnification under this Section 8.5. This indemnity is in addition to, and not in lieu of, any other indemnities set forth in a written agreement between Buyer and Company.

### **ARTICLE NINE: DISPUTE RESOLUTION**

**9.1. Informal Dispute Resolution.** Buyer and Company shall cooperate in good faith to resolve any dispute, controversy or claim arising out of, relating to or in connection with this Agreement, including with respect to the formation, applicability, breach, termination, validity or enforceability thereof (a "Dispute"). If the Parties are unable to resolve a Dispute within ninety (90) days of notice of such Dispute being received by all

Parties, such Dispute shall be finally settled by Binding Arbitration as defined in Section 9.2 below.

**9.2. Binding Arbitration.** Any Dispute not resolved within 90 days as set forth in Section 9.1 shall be referred to and finally resolved by arbitration under the London Court of International Arbitration (LCIA) rules in effect at the time of the arbitration, except as they may be modified herein or by mutual agreement of the Parties. The number of arbitrators shall be one who shall be selected by Company. The seat, or legal place, of arbitration shall be London, England. The language to be used in the arbitral proceedings shall be English. The governing law of the Agreement shall be as set forth in Section 10.1 herein. The arbitration award shall be final and binding on the Parties (“Binding Arbitration”). The Parties undertake to carry out any award without delay and waive their right to any form of recourse insofar as such waiver can validly be made.
